Transfers of Value to Healthcare Professionals (HCP) and Healthcare Organisations (HCO) in Europe

1. Introduction

- 1.1 Under the European Federation of Pharmaceutical Industries and Associations (EFPIA) Code of Practice 2019 pharmaceutical companies are required to document and disclose Transfers of Value made to HCOs and HCPs in Europe on an annual basis.
- 1.2 This guidance is applicable to and documents the process to be followed for the disclosure of Transfers of Value made by MTPG Companies to HCOs and HCPs in Europe.
- 1.3 It is the responsibility of the relevant MTPG staff to determine that the proposed Transfer of Value to a HCP or HCO is permitted under the relevant applicable law and in accordance with relevant SOPs.
- 1.4 The primary contacts regarding this guidance and enforcement of this process are Dr Martin Davies, MTPE Senior Vice President and Ms Ashley McGurl, Assistant Manager, Finance.

3.1.3 **Research and Development Transfers of Value:**

Research and Development Transfers of Value include transfers of value to HCPs or HCOs related to the **planning and/or conduct** of:

- (i) non-clinical studies (as defined by OECD Principles on Good Laboratory Practice);
- (ii) clinical trials (as defined by EU Directive 2001/20/EC); or
- (iii) non-interventional studies that are prospective in nature and that involve the collection of patient data from or on behalf of individual, or groups of HCPs specifically for the study

3.1.4 In relation to research and development activities, MTPG is the owner of all compounds subject to the developmental activities described in paragraph 3.1.3 above.

3.2 A summary of the main types of Transfers of Value, both research related and non-research related is set out at Appendix 1.

4. **Process for collating Transfers of Value**

4.1 Each MTPG Company must collate transfers of value using the **Direct Transfer of Value Form**. For indirect transfers of value, the **Indirect Transfer of Value Form** should either be completed internally or sent to the third party involved for completion and return.

4.2 Each MTPG Company is responsible for the collation of Transfers of Value made in a calendar year period (1st January – 31st December):

- 4.2.1 direct transfers of value that it makes in its own name to HCOs and HCPs;
- 4.2.2 direct transfers of value to HCOs and HCPs that it manages for and on behalf of another MTPG Company;
- 4.2.3 indirect transfers of value made by third parties on its own behalf or on behalf of another MTPG Company where it is managing for and on behalf of that MTPG Company;
- 4.2.4 non-research related transfers of value must be collated on an individual HCO/HCP basis.

- 4.2.5 research related transfers of value must be collated as an aggregate figure on a country by country basis.
- 4.3 Responsibilities
- 4.3.1 Direct Transfers of Value:
- (i) Each **Head of Department** who authorises a non-research related Transfer of Value where a MTPG Company contracts a HCO or HCP directly, must ensure that the **Direct Transfers of Value Form** is completed.
 - (ii) Each **Project Manager** is responsible for collating research related transfers of value in relation to their own projects.
- 4.3.2 Indirect Transfers of Value
- (i) Each **Project Manager** managing relevant third party relationships has overall responsibility for ensuring completion and return of the **Indirect Transfer of Value Form** by that third party.
- 4.3.3 Completed Transfer of Value Forms must be submitted to **MTPE's Finance Department** by the set February deadline instructed by Finance Department.
5. **Disclosure**
- 5.1 Transfers of Value are publicly disclosed on behalf of MTPG Companies in accordance with applicable disclosure and transparency requirements in accordance with Appendix 2 as follows:
- 5.1.1 where made to HCOs: in accordance with the disclosure requirements of the association where their primary place of business is located;
 - 5.1.2 where made to HCPs: in accordance with the disclosure requirements of the association where their principal place of practice is located;
 - 5.1.3 where for research and development purpose: in the aggregate on a country by country basis.
- 5.2 Where a Transfer of Value to an individual HCP is made via their HCO, it will only be disclosed once. Where possible disclosure will be made on an individual basis
- 5.3 Where the agreement under which the Transfer of Value is made does not contain adequate provisions to allow for disclosure or in the event that a HCP withdraws their consent to such disclosure, MTPE will disclose the value of such transfers of value on an aggregate basis.
- 5.3.1 Transfers of Value relating to retired or non-practising HCPs in the UK shall be disclosed on an aggregate basis (irrespective whether consent is given or not) in order to safeguard privacy through avoidance of the requirement of mandatory disclosure of the HCP's address.

- 5.4 Disclosure will be made via the MTPE website which is publicly accessible (<http://www.mt-pharma-eu.com/transparency/>) and according to the requirements of the relevant association in the case of European countries where there is a member MTPG company established no later than 30th June of each calendar year.
- 5.5 Transfers of Value disclosed in accordance with this policy will remain publicly accessible in accordance with country requirements for a period of three (3) years following disclosure.
- 5.6 MTPE Corporate Management will archive Transfer of Value disclosures made for a period of at least five (5) years (or otherwise in accordance with applicable data protection laws).
- 5.7 In accordance with local disclosure requirements each Disclosure by country will be disclosed in one single currency. To minimise exchange rate differences the Currency used will be clearly stated on the published template and will depend on the number of payments made during the period and most commonly used currency during the period. Exchange rates used for this period can be found in Appendix 3

6. Donations & Grants in 2021

6.1 Donations

6.1.1 **Staff Volunteering – Mid and South Essex NHS Foundation Trust - £0.00**

After a government call for volunteers for local Hospitals and Covid centres during the pandemic, we as a company fully supported staff who wished to step forward and volunteer in their own time and within working hours. During 2021 our volunteer staff helped with the distribution of donated goods from businesses around the hospital, packing and distribution of care bags to frontline staff, managing a Wellbeing Hub for NHS staff and supporting with booking and administrative tasks for the flu and covid vaccination campaigns, all while completing their normal duties to the company.

6.2 Grants

6.2.1 **Dr Robert Sarkany, Guy's and St Thomas NHS Foundation Trust – St Johns Photobiology Research Fund - £750.00**

While working with Dr Sarkany on an R&D related project, it was requested that in lieu of payment that a Donation be sent in the way of an unrestricted Research Grant to the above named research fund.
